## THE HARPUR TRUST

As one of the biggest charities in the UK, our vision is of Bedford as a place where everyone has pride in their community and is inspired and supported in realising their potential. We give grants to local community projects, we look after older people in our almshouses and we support, promote and provide education.

Over the past 10 years, the Trust has awarded over £11 million in grants to local community projects and individuals, under the charitable objects of education, relief and recreation.

This event is our gift to the people of Bedford, so come along and **have a go!**
